

Claim 1: Hygeine- The Blo-Safe lid cover protects the cake from oral air-borne substances such as, bacteria, viruses and germs, as well as protecting the surface of the cake from saliva.

Claim2: Appearance- The Blo-Safe lid cover preserves the decorative presentation of the cake by eliminating puncture holes caused by candles, or the insertion or removal of the candles.

Claim 3: Trick Cake Accessories- The Blow Safe lid cover protects the surface of the cake from accumulating melted wax, due to the extended amount of time the continually burning candles sparkle.
